

ANTONITO COMMUNITY HISTORY COLLECTION PROJECT: *OUR COMMUNITY IN PHOTOS*

**The history of Antonito and the surrounding villages is
YOUR STORY!**

We invite you and your family to help us tell the story!

HOW?

**Share with us old or new family photographs or documents that
you feel can tell the story of the community.**

**These images will become part of History Colorado's state-wide
collection and will be described in your own words.**

1 DISCOVER

Talk about this project with your family and ask for their help.

- Identify together 1 to 5 family photos or documents--for example, family photos, flyers, and documents from families, businesses or community organizations.
- Ask the owners of the photos to give their permission to use images of their photos for this project by them signing the consent form.

2 DESCRIBE

For each of the photos write a paragraph with the answers to the following questions:

- Who is in the photo? Identify by name from left to right / top to bottom.
- What year was the photo taken? Who took it?
- What is the story behind the photo?
- How does this photo tell the story of the community?
- What title would you give to this photo?

3 SHARE

Share these stories and photos with your classmates and teacher!

Bring back to school:

- The photos you have selected.
- The descriptions of the photos you created in step 2--make sure these have your name.
- The signed consent forms

We will scan your photos and return the originals to you.
